ONE BATTERY, LOTS OF POSSIBILITIES

The 18 V system means power, freedom and savings!

This series of YATO cordless tools is powered by the same type of heavy-duty 18 V battery and thanks to their extensive selection you can equip a professional workshop, as well as take care of your home and garden. These devices are available in two versions: in a set with batteries and quick charger or without them, which is a perfect solution if you are expanding your collection of tools
